

furniture restorers

THE FURNITURE RESTORERS REFINISH AND RESTORE USED FURNITURE. THE STAFF EXPERTISE IN REPAIR AND RESTORATION PROVIDES THE KNOWLEDGE AND CAPABILITIES REQUIRED TO TRANSFORM OLD ITEMS INTO NEW, QUALITY FURNITURE DESIGNED TO LAST A LIFETIME.

Our experienced repair specialists work with you to understand your needs and provide services which guarantee customer satisfaction. Whether you need spot cleaning or complete restoration, the furniture restorers can do the job. Combining age-old woodworking techniques with the latest in equipment, we will bring new life to your furniture.

REFURBISHED WITH QUALITY MATERIALS

We use only high quality materials. The water and stain resistant fabrics we offer will safeguard your upholstered furniture against heavy use. The durable finishes we apply will enhance and protect your case goods for years to come.

COMPETITIVELY PRICED AND SUSTAINABLE

Custom furniture repair does not have to be expensive. After a complimentary consultation, our expert staff will prepare a free estimate for your entire project. If that estimate does not match your needs or budget, the furniture staff will provide alternative options.

RECYCLE

If you want to refurbish your office on a budget, the university's large storage unit is a good place to start. Pick up the used furniture you need at the surplus facility and bring it to us to clean, refurbish or restore.
