

painters & glaziers

PAINTERS AND GLAZIERS BEAUTIFY AND PROTECT CAMPUS FACILITIES THROUGH TRADITIONAL AND CUSTOM PAINT, GLASS, AND SIGN PROJECTS.

PAINTERS

Painters provide full service painting for interior/exterior walls, doors, and windows for both Maintenance Zones and Construction Services.

The painters' services also include the application of stains/finishes for all casing and cabinetry work made by the mill workers, drywall repair in general use areas, wallpapering, and graffiti removal. Painters perform wall washing and the street marking of roads, crosswalks, and parking lots.

GLASS AND SIGN SERVICES

The glaziers execute glass door/window repair and replacement, glass shelves replacement, and skylight work. Sign workers make specialty and customized signs such as name plates, full color printed vinyl graphics, and banners, including logo reproduction.
