GREEN STREET ROAD CLOSURE (BETWEEN FIRST STREET AND RAILROAD TRACKS)

CHAMPAIGN – On Monday, March 6, the Multimodal Corridor Enhancement Project (MCORE) gets underway. The first phase of the project will close Green Street between First Street and the Canadian National Railroad tracks. Through traffic will not be allowed, but access to properties will be maintained via alternative routes. Businesses will remain open throughout construction. A map depicting general timing of the project phases is available on the [City of Champaign's website](#).

The City of Champaign, appreciates the cooperation and patience of property owners, residents, and visitors of the Campustown area during this important project. Additional updates will be provided as the project progresses. For additional information visit www.mcoreproject.com
