Year Built: 1926

Project Area Primary Users: General assign

Affected Rooms: 322, 325, 326

Room Capacities: 322 & 325: 36 seats ea., 326: 30 seats

Narrative

This project replaced deteriorated windows and renovated 3 classrooms in David Kinley Hall. This was the final phase of **window replacements** at DKH. The final three classrooms on the third floor were upgraded. These classrooms received **wall, flooring, and ceiling finish upgrades**, modern & efficient **light fixtures**, new **seats and furnishings**, and **perimeter radiation replacements**. The rooms also now have modern **classroom IT systems** installed.
