Shuttle Lot E14
(South Campus) – West of State Farm Center, south end only. The shuttle end of the lot will be cleared first.

Lot B4
(North Campus) – Parking deck at the corner of Goodwin Avenue and Clark St.

Lot F27
(South Campus) – Adjacent to Veterinary Medicine Basic Sciences Building.

Active Transportation
If assigned parking areas have yet to be plowed following a winter storm, please use the designated emergency lots and Champaign-Urbana Mass Transit District (MTD) service.

Parking Decks
Entrances to the decks will be cleared after the priority lots have been plowed; ramps will be sanded but the top levels will be barricaded until plows are available to clear them. Parking customers may also use the decks when no space is available within the priority lots.
