

ROOM NUMBER ASSIGNMENT & ROOM USE STANDARDS

Room Number Assignment Standards:

To allow for better navigation of the buildings on campus for students, staff, maintenance personnel and emergency personnel, the U of I has developed the *Room Number Assignment Standards*. These standards provide guidance for consistent and intuitive room numbering within University buildings. These standards are available in the *Project Submittal Requirements*.

Room Use Standards: To meet Federal government requirements, all rooms in a room number system shall be assigned an *Actual Room Use Code and Name* in accordance with government guidelines. These standards are available in the Project Submittal Requirements.
