PART 3 - EXECUTION

3.1 PAPER TOWEL CABINETS

- A. C-fold paper towel cabinets shall be installed at a height of 60-66 inches to the top of each cabinet. Special consideration should be given to laying out laboratories so as to accommodate the installation of cabinets at this height. The top and front of the cabinet shall be free of obstructions so the cabinet can be properly open and refilled.

END OF SECTION 10 20 01

This section of the *U of I Facilities Standards* establishes minimum requirements only. It should not be used as a complete specification.
