Traffic Impact: Green St between Wright and Mathews in front of Illini Union and Engineering Hall will be substantially complete and open to traffic. Full street closure on Green St between Mathews and Goodwin will continue, limited local access between Goodwin and Lincoln. Pedestrian traffic will be maintained on one-side at all times. Buses will be rerouted, see https://www.cumtd.com/ for more information.

**MCORE Project 1: Fall 2017**
(August 26, 2017-November 3, 2017)

**Stage 1**
- Substantially completed except for landscaping

**Stage 2**
- Switched back to 1-way northbound
- Complete Closure

**Stage 3**
- One-way west bound traffic maintained
