

**MCORE Project 1: Summer 2017**  
(May 22, 2017-August 25, 2017)

Stage 1

Stage 2

Stage 3

Temporary 1-way southbound

Complete Closure

One-way west bound traffic maintained

Stage 1 work must maintain access to Illini Union, Harker Hall and Engineering Hall entrances--only very short duration outages will be allowed.

Traffic Impact: full street closure on Green St between Mathews and Goodwin, limited local access in other areas on Green St. Streets. Pedestrian traffic will be maintained on one-side at all times. Buses will be rerouted, see <https://www.cumtd.com/> for more info.
