Please provide a teaser for your session (~100 words). Your teaser will serve as the description of your session in the official conference app and will be available to all attendees.

Please provide the full text of your abstract (please limit to 300 words).

•When submitting an abstract, Speaker #1 is the point of contact for that submission and will be the only person notified by e-mail with information pertaining to the abstract. Additional speakers listed will NOT be notified directly. It is your responsibility, as the submitter, to forward communications to other speakers/presenters or other relevant parties.

•Email electronic copy of presentation using the red submit button below. Electronic copy must be received by 5/06/2022.

If there will be more than two (2) speakers, please provide their information here.
