**FOR IMMEDIATE RELEASE**

May 18, 2017

**Major Sections of Green Street to Close for MCORE Project Work**

CHAMPAIGN, IL – Beginning Monday, May 22, two sections of **Green St. between Wright St. and Goodwin Ave.** will close to through traffic as construction resumes on Multimodal Corridor Enhancement (MCORE) Project 1 ([see map](#)). Significant detours for vehicular and pedestrian traffic will occur for primary campus locations:

**Illini Union**

The Union will remain open throughout construction; however, the building's north circle drive and entrance will temporarily close. The east, west, and south building entrances will be open. Vehicles should approach the Union from Springfield Ave., traveling south on Mathews Ave. onto Green St. ([see Union map](#)).

**Mathews Ave.**

Traffic flow will switch to southbound only from Springfield Ave. to Green St.

**Green St. - Sidewalks**

Pedestrian access will be maintained on one side of the street and will vary depending upon construction activities.

**Engineering Hall**

Vehicular access from Mathews Ave. onto Green St. will remain throughout this phase of construction.

More information about MCORE is available at <http://mcoreproject.com>. When necessary, updates on bus reroutes and temporary stop locations will be at: <https://www.cumtd.com> or the MTD's [Facebook](#) and [Twitter](#) feeds.
