Healey Street Road Closure
(between Fifth Street and Sixth Street)

CHAMPAIGN – In order to install sanitary sewer service connection at 502 E. Healey, Wells & Wells Construction and Wick Concrete will close Healey Street between Fifth and Sixth Street.

The closure will begin on Monday, March 16, and will reopen on Monday, March 23, 2020. Through traffic will not be allowed, but access to properties in this block will be maintained. Temporary two-way traffic will be implemented on the east half of the block to maintain access.

While traveling in the area, please pay close attention to traffic control devices and use alternate routes whenever possible.
