**MCORE Project 4 – Chalmers Street Road Closure**

*(Between Sixth Street and Wright Street)*

CHAMPAIGN – On Tuesday, May 26, 2020, the Multimodal Corridor Enhancement Project (MCORE) will close the block of Chalmers Street between Sixth Street and Wright Street to facilitate the reconstruction of this entire block (street pavement, street lighting, etc.). This closure is scheduled to reopen in August 2020.

The City of Champaign appreciates the cooperation and patience of property owners, residents, and visitors of the Campustown area during this important project. Additional updates will be provided as the project progresses. For additional information visit [www.mcoreproject.com](http://www.mcoreproject.com).
