FOURTH STREET LANE CLOSURE

Champaign – In order to construct storm sewer improvements and repairs, Duce Construction will close one northbound lane of Fourth Street between Springfield Avenue and Healey Street. Northbound Fourth Street traffic will be merged into a single lane thru a short construction work zone. Southbound Fourth Street will remain open and unaffected. Work is planned to begin on Monday, June 5 at 7 a.m. and be completed and reopened to traffic by 4 p.m. Friday, June 9. Minor traffic delays may occur. Traffic on Springfield Avenue and Healey Street will not be affected by this project.

This work is weather dependant and may be delayed in the event of inclement weather. The City appreciates the cooperation of travelers in the area and encourages caution when traveling through work zones.
